Star Kick Sports is a direct-from-factory manufacturer of custom soccer balls and team uniforms based in Lahore, Pakistan. We control every step — from stitching and sublimation to branding and packing — so clubs, academies and resellers worldwide get tournament-grade gear at factory pricing, with no middlemen in between. Whatever your colours, crest or sponsor layout, we build it to order and deliver it to your door.

SINGLE TEAM KIT

★ TAGS & BRANDING INTEGRATION

NECK TAGS

Woven or printed neck tape carrying your brand inside every garment.

HANG TAGS

Custom-shaped, printed hang tags with your logo, sizing and care info.

EMBROIDERED BADGES

Raised embroidered crests and badges heat-sealed or stitched in place.

SOCCER BALLS — BUILT TO ORDER

Choose your construction, size, design and branding. Every ball is made to your specification with unlimited colours and logos — from grassroots trainers to match-grade balls.

TYPE 01

HAND STITCHED

Traditionally hand-sewn panels for shape retention and durability — the classic match & training build.

TYPE 02

MACHINE STITCHED

Consistent machine-stitched seams for hard-wearing, value training balls at volume.

TYPE 03

THERMO BONDED

Seamless thermally-bonded panels for a true, water-resistant flight — our premium match ball.

FROM IDEA TO DELIVERY

Your journey to custom gear is simple. Five steps, one factory, full control from first enquiry to final shipment.

01 CONSULTATION

Tell us what you need — products, quantities, colours and budget. Our team helps shape the order.

02 DESIGN DEVELOPMENT

Our designers turn your logos and ideas into custom artwork and digital mock-ups for your kit or ball.

03 SAMPLE APPROVAL

We produce a sample so you can check quality, fit and colour before the full run begins.

04 PRODUCTION & DELIVERY

Seamless, timely manufacturing in our own factory, shipped directly to your doorstep worldwide.

05 AFTER-SALES SUPPORT

Continued assistance for re-orders, new designs and any future requirements your club may have.

THE RANGE

Seven product lines, all custom-made and fully brandable — built in one factory, shipped direct to you.
